This is a detailed cadastral map of a residential area in Paris, France. The map shows a grid of property parcels, each labeled with a unique identifier (e.g., B902v3, B903x2) and a lot number (e.g., 204, 202, 200). The parcels are color-coded: light beige for land, light blue for water (the Seine river is visible at the top), and light green for parks or green spaces. The map is oriented with Rue Charles Rittweger running diagonally from the top-left to the bottom-right. Other streets shown include Rue des Ecoles at the bottom, and various smaller streets and alleys. The map is a technical drawing with precise lines and text, typical of a cadastral plan.
