Extract of the decisions
made by the general assembly
April 2026 (AG 2025-2026)

Presents : Dani, Henriette, Sen, Vince, Hamza

Topics :

1. Entrance Hall
2. whatsapp group
3. Electrical stake (in the streets)
4. Cellar humidity

1. Entrance Hall

- Close the strollers
- Find a way to hang the bikes horizontally to save space
- Proposal to install wooden panels (and repaint them) to prevent damage to the walls
- Change the information paper on the door (how to open/close the door with Airkey)

2. Whatsapp group

We have decided to continue communication solely via e-mails. We have rejected the idea of a Whatsapp group. All requests/comments/informations should be sent via e-mail

3. Electrical stake (rue de la clé)

If someone from the Copro receives the access code for the electrical stake to have access by car in « rue de la clé », He/she will pass it on to the other users of the building.

4. Cellar humidity

- Visit from a humidity expert
- Hamza has already meet « Homegrade” to have some tips to a better ventilation
- Make holes in the doors to allow air to circulate
- Always leave the door tot he technical room open
- Stpop by Vince’s place to check the condition of his outside floor (plant side)

Syndic of the co owners.
