F. L.

Architectural floor plan of a building with five floors (Cl. A.C. 1st to 5th). The plan shows a central corridor (HALL) connecting various rooms including living areas (SEJOUR), bedrooms (CHAMBRE), and a kitchen (Cuisine). It also features a large exhibition space (EXPOSITION MARBRERIE) and a staircase (escalier). Dimensions are provided for various sections and overall building measurements.

Architectural floor plan of a building, likely a basement or ground floor, showing rooms such as W.C., HALL, STUDIO, PORCHE, and MAGASIN. It includes a large exhibition space (EXPOSITION MARBRERIE) and a staircase (escalier). Dimensions are provided for various sections and overall building measurements.
