This is a cadastral map of a rural area, likely in Belgium or France, showing various land parcels. The parcels are labeled with alphanumeric codes, many starting with 'B'. A prominent blue line traces a path through several parcels, starting from the bottom left near 'Rue des Glawans' and heading towards the top right. The map includes roads such as 'Chemin de Durbuy à Barvaux' and 'Rue des Glawans'. Small green house icons are visible on some parcels, indicating buildings. The overall layout shows a network of roads and fields, with the blue line possibly representing a specific route or boundary of interest.
